There are also 10 metered parking spaces located in front of the property, with additional on-street metered parking spaces available throughout the Downtown Entertainment Overlay District.

ANALYSIS

- Land Use and Zoning**

Redevelopment Plan Area

The parcel is within the boundaries of the Las Vegas Redevelopment Area, with a C (Commercial) land use designation. The C (Commercial) land use designation accommodates the proposed uses, which are also in conformance with the Redevelopment Plan.

Downtown Overlay District

Properties within the Downtown Overlay District are encouraged to develop complex, visually interesting and urbane walkable mixed-use environments. Therefore, proposals located within this overlay are exempt from the automatic application of the mandatory maximum building height, required building setback, maximum lot coverage, residential adjacency, standard landscaping requirements, and standard parking requirements in Section 19.08.040, Section 19.08.050, Section 19.08.060, Chapter 19.10, and Chapter 19.12.

Downtown Entertainment Overlay District

The subject property is located within the Downtown Entertainment Overlay District, which is intended to further the City's downtown redevelopment plans in the spirit of restoring downtown Las Vegas as a dynamic, vibrant center for the entire Las Vegas Valley. Creation of the district is also intended to adjust the zoning and licensing restrictions to encourage non-gaming blues and jazz nightclubs, comedy clubs, and other musical entertainment venues and sets forth signage requirements per the Downtown Design Review Committee (DDRC).

- **Use**

A Tavern-Limited Establishment with an accessory Commercial Recreation/Amusement Facility (Outdoor) that provides an outdoor performance venue is a permitted use in the C-2 (General Commercial) zoning district with the approval of a Special Use Permit. Specifically, the use complies with the intent of the Downtown Entertainment Overlay District of encouraging musical entertainment venues.

- **Site Plan**

The site is located on a 0.32 acre parcel, adjacent to the east side of 7th Street, approximately 50 feet south of Ogden Drive. The proposal consists of the addition of a 5,352 square-foot outdoor performance area enclosed by ten-foot high wall to an existing two-story building. Direct access is provided to the site from 7th Street, where 10 on-street metered parking spaces are provided with service access provided from a rear alley. The applicant is seeking to accommodate the parking requirements with the public parking garages located in the immediate area. The provided site plans show a 10-foot wide sidewalk along the front of the building with a five-foot wide amenity area showing shade trees planted at 30-foot intervals along 7th Street.

- **Floor Plan**

The submitted floor plans depict an open floor plan, with the exception of the two restroom located near the front entry. A bar service area is located at the rear of the building and a stage is shown at the center of the building. A second floor provides space for two offices, a small conference room, some storage area, and two restrooms. Three rolling doors are proposed between the enclosed Tavern area and the outdoor performance area. There are additional access doors located at the front and rear of the existing building with emergency egress for the outdoor performance area located at streetside and into the alleyway

- **Conditions**

The use shall conform to, and is subject to, the provisions of Title 19.04.010 for the Tavern-Limited Use. It is important to note that, pursuant to Title 19.06.120, the distance separation requirements shall not apply for any liquor establishment (tavern), supper club, restaurant service bar, or other liquor-serving establishment that is approved by means of a Special Use Permit.

FINDINGS

In order to approve a Special Use Permit application, per Title 19.18.060 the Planning Commission and City Council must affirm the following:

1. **“The proposed land use can be conducted in a manner that is harmonious and compatible with existing surrounding land uses, and with future surrounding land uses as projected by the General Plan.”**

The proposed land use can be conducted in a manner that is harmonious and compatible with the surrounding land uses. This area is intended for this and other similar type uses that offer food, drink, and entertainment. The proposal is in compliance with the area and the General Plan.

2. **“The subject site is physically suitable for the type and intensity of land use proposed.”**

The subject site is physically suitable for the type and intensity of land use proposed.

3. **“Street or highway facilities providing access to the property are or will be adequate in size to meet the requirements of the proposed use.”**

The subject property is primarily accessed via 7th Street pedestrian. Parking is provided from surrounding public parking. Service access is adequately provided from an existing alley located at the rear of the proposal. this type of development.

4. **“Approval of the Special Use Permit at the site in question will not be inconsistent with or compromise the public health, safety, and welfare or the overall objectives of the General Plan.”**

This Special Use Permit request is in compliance with all applicable plans and policies and will not adversely affect the public health or the general welfare.

5. **The use meets all of the applicable conditions per Title 19.04.**

This Special Use Permit request is in compliance with all the conditions of Title 19.04.

PLANNING COMMISSION ACTION
